

How We Organise Ourselves

3rd November to – December 12th

The UOI homework is based on Tony Ryan's Thinkers Keys. We want you to use your thinking skills (there are many possible answers).

	Unit of Inquiry	Maths	Language
Week beginning November 3rd	<p style="text-align: center;">The question</p> <p>The answer is trade. What is the question?</p> <p>Think of at least 10 possible questions which could be answered with the word trade.</p>	<p style="text-align: center;">Mathletics:</p> <p>Go to Mathletics Live every day for 10 minutes.</p> <p style="text-align: center;">Do:</p> <p>Number: Multiplying by 10, 100, 1000</p> <p>Dividing by 10, 100, 1000</p>	<p>Reading and task for Literature Circles (due Sunday and Wednesday). Begin to create an A to Z of trade related words. Make sure they are spelled correctly and that you know what they mean and how to use them.</p>

Week beginning November 10th	Unit of Inquiry	Maths	Language								
	Disadvantages What are the disadvantages of paper money? Draw a table in your homework book and complete it. Write the disadvantage and suggest an improvement to overcome it. Think of at least 5 disadvantages and improvements.	Go to this website and play the game. http://www.coolmath-games.com/0-coffee-shop/index.html In your homework book answer these questions: How much money did you make? What difficulties did you have? What influenced your decision on what you needed to buy? What influenced your decision on what price to charge?	Reading and task for Literature Circles (due Sunday and Wednesday). Continue with your A to Z.								
	<table><tr><th>Disadvantages</th><th>Improvements</th></tr><tr><td>It tears</td><td>Make it out of a type of plastic instead so that it is stronger</td></tr><tr><td></td><td></td></tr><tr><td></td><td></td></tr></table>	Disadvantages	Improvements	It tears	Make it out of a type of plastic instead so that it is stronger						
	Disadvantages	Improvements									
	It tears	Make it out of a type of plastic instead so that it is stronger									

	Unit of Inquiry	Maths	Language
Week beginning November 17th	<p style="text-align: center;">Brick wall</p> <p>What are the alternatives to using money?</p> <p>Write a list of all the possible alternatives (you should have at least 5 things).</p> <p>Explain why each alternative is better than money.</p>	<p>Using your fraction flip book (you will make this in class), show percentages and decimal equivalents.</p>	<p>Reading and task for Literature Circles (due Sunday and Wednesday). Continue with your A to Z.</p>

	Unit of Inquiry	Maths	Language
Week beginning November 24th	What if...? What if farmers were paid a fair price for their crop? Complete an ideas wheel. (Your teacher will give you an ideas wheel).	Create a game to help teach someone about fractions, decimals, and percentages. You have 2 weeks to complete this task. You will use the game at school. It could be an electronic game, board game or card game, for example.	Reading and task for Literature Circles (due Sunday and Wednesday). Continue with your A to Z.

	Unit of Inquiry	Maths	Language
Week beginning December 1st	Construction Design a fair trade logo. It should be a new creation, not a logo that already exists. Do it on A4 paper (you can get the paper from your classroom). Make it colourful.	Complete your game and have it ready to bring to school by Thursday.	Reading and task for Literature Circles (due Sunday and Wednesday). Continue with your A to Z.
